

SUBARU/LEAVE NO TRACE TEAMS WEBINAR OFFERINGS DURING COVID-19

The Subaru/Leave No Trace Teams provide proven, research-based skills and education for getting outside in an environmentally sustainable way. Topics include:

LEAVE NO TRACE OUTDOOR SKILLS & ETHICS – INTRODUCTORY (1 HOUR):

- Overview of Leave No Trace principles that protect the outdoors while minimizing our impacts to the land, soil, vegetation, water, wildlife, cultural resources and other visitors.
- Leave No Trace guidelines to practice, promote and share whether in the backcountry, frontcountry, your favorite local parks and natural areas or in your everyday life.
- Programs and resources of the Leave No Trace Center for Outdoor Ethics and ways to get more involved.

LEAVE NO TRACE – REFRESHER, UPDATES, RESOURCES (1 HOUR):

- What's new with Leave No Trace, and how you can incorporate the principles into your daily work whether as a land manager, volunteer, or outdoor/youth educator.
- General Leave No Trace refresher with an emphasis on updates, research and resources, and ways to get more involved.
- Designed for those with previous baseline knowledge of Leave No Trace.

EFFECTIVE COMMUNICATION OF LEAVE NO TRACE (1.5 – 2 HOURS):

- Overview of Leave No Trace principles, practices and ethics, including both the *hows* and *whys* behind the importance of practicing Leave No Trace.
- Effective Communication: What we say is as important as how we say it, and effective communication is key to breaking down barriers to opposition and providing a space for visitors to feel receptive to our message.
- Authority of the Resource: This technique routinely serves as a proven method of changing visitor behavior through deemphasizing regulation in favor of education about the natural world. Participants will learn ways to generate clear, succinct and focused social and ecological reasons for visitors to engage in practices that help avoid these impacts.
- Designed for those with previous knowledge of Leave No Trace who interact with park and public land visitors.

LEAVE NO TRACE RECOMMENDATIONS FOR GETTING OUTSIDE DURING COVID-19 (30 MIN – 1 HOUR):

- Recommendations incorporating Leave No Trace principles and practices to keep ourselves, our communities and our outdoor spaces safe and healthy during this time.

All webinars will include time for Q & A. Attendees will be encouraged to participate in online activities through either audio or video interaction throughout the session.
