LEAVE NO TRACE – REFRESHER, UPDATES, RESOURCES (1-2 HOURS):

- What's new with Leave No Trace, and how you can incorporate the principles into your daily work whether as a land manager, volunteer, or outdoor/youth educator.
- General Leave No Trace refresher with an emphasis on updates, research and resources, and ways to get more involved.
- Leave No Trace recommendations to keep ourselves, our communities and our outdoor spaces safe and healthy during COVID-19.
- Area/activity-specific content (e.g., mountain biking, canoeing, deserts, coastal, etc.) can be included upon request.
- Designed for those with previous knowledge of Leave No Trace.

Minimum group size: 12

Maximum group size: 500

EFFECTIVE COMMUNICATION OF LEAVE NO TRACE (2 HOURS):

- Designed for those with previous knowledge of Leave No Trace who interact with park and public land visitors (e.g., rangers, interpreters, naturalists, guides/outfitters, friends' groups, volunteers, etc.). NOTE: Participants who are new to Leave No Trace or have not had Leave No Trace training in recent years are encouraged to participate in a Leave No Trace introductory program or complete the self-paced (30-45 min.) Leave No Trace_Online Awareness Course in advance: [LNT.org/online-awareness-course/](https://www.lnt.org/online-awareness-course/)
- Overview of Leave No Trace principles, practices and ethics, including both the hows and whys behind the importance of practicing Leave No Trace.
- Effective Communication: What we say is as important as how we say it, and effective communication is key to breaking down barriers to opposition and providing a space for visitors to feel receptive to our message.
- Authority of the Resource: This technique routinely serves as a proven method of changing visitor behavior through deemphasizing regulation in favor of education about the natural world. Participants will learn ways to generate clear, succinct and focused social and ecological reasons for visitors to engage in practices that help avoid these impacts.
- Recommendations to keep ourselves, our communities and our outdoor spaces safe and healthy during COVID-19.

Minimum group size: 12

Maximum group size: 500

- Workshops with 12-40 participants will include features such as a collective workspace, interactive Google slides, potential breakout rooms.

- Workshops with 40+ participants will include interactive polls and opportunity for "chat" questions but will be more webinar/presentation style.

LEAVE NO TRACE FOR OUTDOOR LEADERS: TEACHING TOOLS FOR RESPONSIBLE RECREATION (1.5 - 2 HOURS)

- Designed for outdoor educators, guides, adventure program trip leaders, and park and recreation staff who will gain skills and knowledge to incorporate Leave No Trace into their work as well as teach Leave No Trace to all experience levels and in varied environments. NOTE: Participants who are new to Leave No Trace or have not had Leave No Trace training in recent years are encouraged to participate in a Leave No Trace introductory program or complete the self-paced (30-45 min.) SPECIALIZED VIRTUAL OFFERINGS

Additional virtual program types can be developed and offered upon special request, with adequate advance notice, and depending on group size. Priority is given to Leave No Trace

partners. These programs work well as public outreach, youth education, or other community-focused programming.

Examples include:

- Leave No Trace Trivia Night/Hour – interactive “quiz” style, with Leave No Trace education and information included throughout
- Three-part Learning Series - 3 webinars that split up the content of one
- Virtual Guided Hike
- DIY Leave No Trace Project(s)
- Sample specialized program recordings: [LNT.org/girl-scouts-love-states-parks-2020/](https://lnt.org/girl-scouts-love-states-parks-2020/)

Additional Virtual Program Information:

- All workshops include time for Q & A.
- Attendees will be encouraged to participate in online activities through either audio or video interaction throughout the session.
- Live captioning and audio transcripts are available.
- Workshops with 12-40 participants will include features such as a collective workspace, interactive Google slides, potential breakout rooms.
- Workshops with 40+ participants will include interactive polls and opportunity for “chat” questions but will be more webinar/presentation style.
- Virtual workshops are typically set up on the Leave No Trace Center for Outdoor Ethics’ Zoom account, with the Center handling RSVP/registration logistics, but hosts can use their own systems or platforms if they prefer.
- Subaru/Leave No Trace Teams can also be available for other online discussions, online chats or interviews, as guest speakers or panelists, etc.
- Virtual participation and engagement can be easier and more effective if attendees log on *individually* as opposed to small groups congregating and viewing the program together in one room. If there will be any small groups participating together, please inform us in advance.
